8 Unit Base Plate Trolley to suit F33/34 800x800x6mm Base Plates

The Global Truss base plate trolleys are the ultimate base plate storage system. Built from steel, its rigid frame allows for easy loading and unloading of base plates. Industrial grade swivel wheels which also allows a free pivoting motion with brakes included.

Designed for base plates to be stacked vertically in place, the trolley allows space between each slot to also include base plate spigots, saving you time when you get to each jig.

You can now easily stack away 600mm, 800mm, 900mm or 1000mm base plates!
