

# MODULAR SPACE PARTITIONS

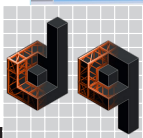

**CONTROL CROWD FLOW.  
MODULAR DESIGN.  
READY-MADE SOLUTIONS.**

In response to the increasing demands for the safety concerns in association with the current crisis, our experienced team of designers have conceptualised a range of solutions and uses to the needs of temporary modular space dividing options.

These solutions are completely designed and built using standard off-the-shelf components from Design Quintessence's Curtain Call range, which are intended for room dividing as well as backdrops, can also be utilised as aisle space dividers as well as allows for hanging objects and signage.

## Features and Benefits

- Completely modular design, easily expandable in different areas and controlling the flow of customers in aisles
- Heavy-duty build allowing footpath management in store
- Vinyl walls for separators to assist in maintaining social distancing as well as continuing to servicing your customers
- Adaptable and customisable to suit any location and uses
