

SELF-SERVE COUNTER SEPARATOR

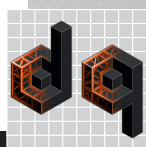

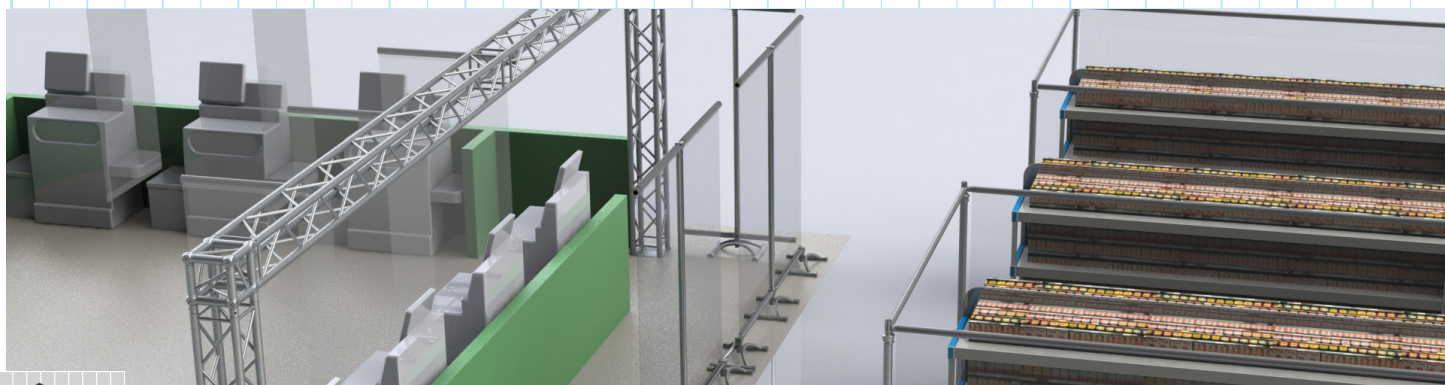

**MODULAR DESIGNS.
PURPOSE-BUILT STRUCTURES.
TURNKEY SOLUTIONS.**

In response to the increase in supermarket crowd flow safety concerns of the general public in association with the current crisis, our experienced team of designers have conceptualised a range of solutions and uses to the needs of temporary modular self-serve counter solutions. The self-serve separators are designed to keep all checkout units active with physical barriers ensuring the safety between your customers as well as keeping control of the queue set up.

Features and Benefits

- Completely modular design and built to fit every space and/or arrangement
- Heavy-duty aesthetic build
- Vinyl walls for separators to assist in maintaining social distancing as well as continuing to servicing your customers
- Adaptable and customisable to suit any location and uses

As the market leader for modular solutions across Australia, we pride ourselves in dealing with clients who are articulate about the quality and safety of our products and we are committed to helping our community and the general public form a safer environment and help you create the most efficient shopping experience for your customers.
