

**Zero FLX S48 Ovation Case with pull-out drawer and monitor mount Features:**

- 9mm Plywood which is made up of Scandinavian Birch layers glued together with DIN-certified (DIN EN 204) D4 graded glue for maximum stability and resistance to moisture exposure. The ply is also protected by ABS coating on both sides with one side being textured for a more professional unique look and feel.
- **3mm Aluminium Edge Extrusion** in combination with **solid 2mm thick**, galvanised steel ball corners with 9 rivet holes, compared to the industry standard of 6, providing a more **secure mechanical bond** between ALL case elements on Ovation Cases.
- Padlockable Medium Duty Butterfly Latches
- 1 x Recessed Extendable Trolley Handle
- Recessed 75mmØ Corner Castors
- Interior finish: EVA Foam Lining
- Cable pass-through cut out through and into drawer
- Suitable for Zero 88 FLX S48 consoles
- Ability to operate console within case
