MEET THE BRAVO CREW

Tough Family. HARD Cases – Meet the Bravo Crew. Every member has their own personality, their own strengths and one job—to protect what matters most.

From Big BRUCE, the heavyweight who never backs down from a tough job, to Little Barry, who believes the smallest things are often the most valuable, there's a Bravo built for every piece of gear you own.

Whether you're carrying cameras, lighting, AV equipment, drones or sensitive electrical equipment, every member of the Bravo Family is ready to earn its place in your crew.

Behind the personalities is serious protection. Every case features tough polypropylene construction, an IP67 waterproof and dust-proof rating, customisable Pick & Pluck foam, an automatic pressure equalisation valve and heavy-duty latches to keep your equipment protected wherever the job takes you.

Professional-grade protection. Practical features. Exceptional value.
